Introduce your child to a whole world of learning with the Sit to Stand Alphabet Train™. It teaches toddlers letters, numbers, colors, songs, stories and more! The versatile Sit to Stand Alphabet Train™ for children 12 months and up, features 26 double-side letter blocks...

Sit to Stand Alphabet Train™;By: Toronto4Kids Introduce your child to a whole world of learning with the Sit to Stand Alphabet Train™;. It teaches toddlers letters, numbers, colors, songs, stories and more!

The versatile Sit to Stand Alphabet Train™ for children 12 months and up, features 26 double-side letter blocks, a book with six turning pages, five colourful number buttons, one movable elephant character, a motion sensor, a ride-on carriage and a drop-space for sending the blocks from the train to the carriage. Perfect for little learners to handle.

Toddlers can use it alone for floor play, or push it along as a walker. They can even attach to the carriage to use as a ride-on toy! Plus, with the Sit to Stand Alphabet Train™;, there are two ways to play: Walker Mode and Discovery Mode.

The Sit-to-Stand Alphabet Train™ is part of VTech's Sit-to-Stand line that grows with babies, and encourages learning while keeping the emphasis on FUN!

It's the ideal toy built for growing and going, while keeping little hands and minds busy!

Retail price: \$69.99 CDN
